WHO WE ARE

4Tracks Ltd, established in 2007, is a privately owned transportation company headquartered in Winnipeg, MB, Canada.

With a fleet of 400 trucks and over 600 employees, we operate one of the largest fleets in Western Canada, serving customers across Canada and the USA. We are continuing to expand with new hires.

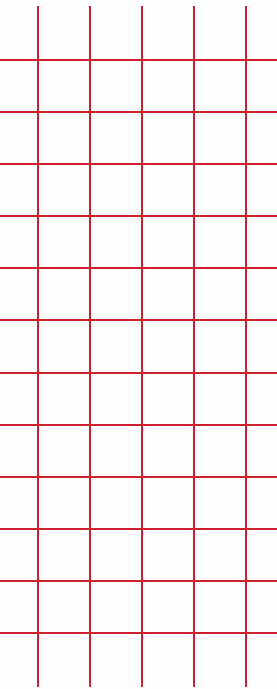

FOUNDING BROTHERS

Sulakhan Brar

President

Jasvir Brar

Vice President

OUR SERVICES

Transportation

We have 18 years of experience transporting fast-moving consumer goods

Long Combination Vehicle (LCV)

An LCV is a specialized configuration consisting of a tractor and 2 full size trailers, with a total length of up to 40 meters

24/7 Dispatch Team

Our dispatch team is available around the clock, 365 days a year, to assist with any questions or updates as needed

Truck & Trailer Services

Our shop is certified to perform the required service and safety check-ups for truck and trailer

Cross-Docking

With our own on-site cross-dock, we are able to handle all loading and unloading requirements in house

Warehousing

4Tracks Ltd. has a dry and temperature-controlled warehouse; with over 16,000 sq. ft., we handle both short and long term storage opportunities

AWARDS AND CERTIFICATIONS

Top 100 Carriers 2025

Recognized as one of Canada's Top 100 Carriers for 2025, reflecting the dedication of our people and the collective effort that drives our success in the industry.

CTPAT Certified 2025

As a CTPAT Certified company, our team plays an essential role in maintaining safe, secure, and trusted operations across the supply chain.

RPM Certified

Our RPM Certification underscores the value we place on safety and accountability, ensuring every team member can work confidently in a safe and secure environment.

WCB Certified

With WCB Certification, we prioritize the health and safety of our workforce, providing strong protections, proactive programs, and ongoing support for our employees.

Proud MTA & STA Member

Active membership in the Manitoba Trucking Association and Saskatchewan Trucking Association ensures our employees are backed by industry-leading resources, training opportunities, and advocacy that strengthens our profession.

AWARDS AND CERTIFICATIONS

US & Canada Customs Bonded

Our Customs Bonded status equips our team to manage international shipments securely and professionally, building trust in every cross-border move.

Customs Self Assessment

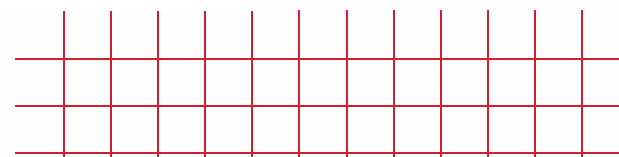

Through CSA Certification, our employees gain the tools to handle customs with confidence, enhancing efficiency and expertise on every shipment.

Hazmat Certified

With Hazmat Certification, our drivers and staff are trained and trusted to safely manage and transport sensitive cargo, ensuring safety for all.

Drivewyze

By using Drivewyze technology, our drivers save time on the road, reduce stress, and deliver with greater efficiency.
